

Annexure B: NEGLIGENCE

Clients should take note that there are significant differences between local and Western countries regarding car insurance and the ultimate responsibility in case of damages.

Any damages or losses that will be caused to the vehicle and equipment in case of the following events, will be deemed as negligence for which the LESSEE or DRIVER will be fully liable:

1. Driving under the influence of alcohol / drugs.
2. Talking & texting on a mobile phone while driving.
3. Driving on a main road after sun set / before sun rise
4. Driving on the wrong side of the road.
5. Driving above indicated speed limits.
6. Driving through a running river.
7. Driving through potholes.
8. Not using indicators when turning unto another road.
9. Not switching on head lights when driving.
10. Driving on roads which are forbidden by the LESSORS agreement.
11. Using unauthorised dealers or suppliers not approved by the Lessor.
12. Drive into a standing or running vehicle.
13. Not adhering to the road laws of Namibia.
14. If the roof and/or bonnet is dented.
15. If there is engine damage due to overheating (regardless of the cause). Thus, check the heat gauge while you drive and make sure your vehicle is not overheating in any way.
16. Tow any vehicle or trailer without the Lessors permission.
17. Reversing into trees and poles or any other objects.
18. When the vehicle is broken into while valuables were left expose inside the vehicle.
19. Damaging the vehicle or rooftop tents when driving underneath trees and objects which does not allow enough ground clearance for a save drive through.
20. Not securing ALL valuables (emergency phone, sat phone, GPS or any other items) when cleaning the vehicle.
21. Driving against pavements.
22. Not reporting accidents / damages to the vehicle.
23. Damage caused by driving through water.
24. By leaving the lights on while vehicle is not driving, causing damage to the vehicle's battery.
